

TEXAS REGION

Business-Focused Cultural
Resource and Heritage
Management

We offer full coverage of Texas with staff in the Lone Star and surrounding states. Our clientele include the transportation and energy sectors, housing developers, and a range of federal, state, and municipal clients.

PRIMARY SERVICES

Our work has earned the trust of government agencies such as the U.S. Army Corps of Engineers, Veterans Affairs, the Texas Commission on Environmental Quality (TCEQ), TxDOT, as well as municipal agencies across Texas. We have also developed crucial positive relationships with numerous state, local, and tribal stakeholders.

- Archaeological testing, monitoring, and mitigation
- Antiquities Code of Texas Permitting
- NRHP and State Antiquities Landmark (SAL) Evaluations
- Cemetery Studies
- Archival Research
- Historical Resource Assessment
- Underwater Archaeology
- Public Outreach
- Remote Sensing
- GIS Technology
- Photogrammetry
- Spatial Capabilities
- Osteology
- Paleontology
- Prediction Models

THE CHRONICLE WAY

The nation's first all-digital firm of its kind, Chronicle Heritage has developed the premier approach to projects, employing a fully-digital workflow for data collection and management. We use state-of-the-art technology and the latest trends in research and historic preservation to ensure maximum efficiency and that our clients' compliance needs are met.

- Eliminates digitization after fieldwork
- Enables faster, more accurate data entry
- Safeguards your project data with continuous backups
- Speeds projects through to completion
- Higher-quality deliverables
- Saves time and reduces costs
