THE CHRONICLE WAY

The nation's first all-digital firm of its kind, Chronicle Heritage has developed the premier approach to projects, employing a fully-digital workflow for data collection and management. We use state-of-the-art technology and the latest trends in research and historic preservation to ensure maximum efficiency and that our clients' compliance needs are met.

- Eliminates digitization after fieldwork
- Enables faster, more accurate data entry
- Safeguards your project data with continuous backups
- Speeds projects through to completion
- Higher-quality deliverables
- Saves time and reduces costs
